FEATURED FEMALES

SPRING COVE CAROL 442 *21020381

1-27-24 • Sire: Sitz Feat 729H • Dam: Spring Cove Carol 811
Dam's Sire: Spring Cove Reno 4021

This full sister to the \$400,000 Spring Cove Grant 200K is due to calve April 2026. Her deceased dam had a WR of 3@110, YR of 3@106 and % IMF Ratio of 4@115.

SPRING COVE CAROL 4051 *21129239

8-18-24 • Sire: EZAR Step Up 9178
Dam: Spring Cove Carol 418 • Dam's Sire: Sitz Longevity 556Z

An own daughter of the deceased Spring Cove Carol 418 — that has made a profound impact on our program and the breed — is sired by the Select Sires' standout, EZAR Step Up.

SPRING COVE JUANA 500 *21283626

1-3-25 • Sire: Spring Cove Grant 200K • Dam: Musgrave Juana Erica 278 • Dam's Sire: Musgrave 316 Stunner

Sired by the \$400,000 Spring Cove Grant 200K. Juana has a great blend of phenotype, quality and marketability from a donor dam with a WR of 4@103, a Pathfinder® grandam who holds a WR of 4@107, and a Pathfinder® great-grandam with a WR of 12@110.

HERDSIRE PROSPECT

PEV PROLIFIC 2M2 21151728

3-8-24 • Sire: Ellingson Prolific • Dam: PEV SC Pauline 2H5
Dam's Sire: BUBS Southern Charm AA31

Powerfully constructed with elite phenotype and balanced genetics. Prolific has maternal power on the bottom side that you could build a cow herd around. Dam's production record: WR of 3@107, YR of 3@106 and %IMF Ratio of 3@127.
